**Photograph Log**

The photographs accompanying this nomination are digital images. In accordance with the National Register of Historic Places March 2005 Photo Policy expansion, the photos are printed on glossy HP Premium Plus Photo Paper, using the Hewlett Packard Vivera Ink (97 tri-color cartridge). This combination of paper and ink is included on the NR's list of "Acceptable Ink and Paper Combinations for Digital Images." The images are also recorded as .tif files on a CD-R at or larger than 1600x1200 pixels at 300 ppi in 8-bit or higher format.

The photographs of the Fort Missoula Historic District, Missoula County, MT, were taken by Helen Keremedjiev and John Fielding on various dates unless otherwise noted.
